

Winter Party 30th November 2023

The joint Winter Party of DDLS and DJL took place on a very cold Thursday at the Kedleston Country House Hotel. After the usual slow start on ticket sales the event was enjoyed by almost 100 members of the local legal and business community ranging from students from the University of Derby all the way through to let's just say the more experienced members of the profession!

We are extremely grateful to the DJL committee, especially Laura Matthews, John Ellis and Amelia Sutcliffe, who once again showed that the future of DDLS is in safe hands with their enthusiasm and organisational skills in putting on a great evening.

After a welcome drink and a brief introduction from Oliver Maxwell, our sponsors Bygott Biggs and Oberoi Business Hub were able to say a few words and then everyone was able to enjoy our great live singer, a tasty buffet and a good catch up.

Thank you to everyone who was involved with the evening both organising and attending. We hope that you enjoyed yourself and look forward to seeing you at an event soon.
